Find helpful customer reviews and review ratings for WD TV Live Plus 1080p HD Media Player at Amazon com Read honest and

unbiased product reviews from our users

Western Digital has upped the ante once more with the WD TV Live Plus the Plus adding even more Internet based functionality headlined by built in Netflix on demand Other than the addition of these features the Live Plus is nearly identical to the WD TV Live HD Media Player which we reviewed in late 2009. I just bought a WD TV live media player and when I play movies from either a portable hard drive attached to the USB port or from my PC via the WI FI the picture will freeze after about 15 minutes but continue to play leaving a still picture displayed while continuing to play the movie.

The WD TV Live HD Media Player from Western Digital has everything you need to play your HD media collection and the fun stuff you find on the web in brilliant HD 1080p on your big screen HDTV Because it supports a wide variety of file types you can instantly enjoy all your home digital media

All Your Media On Your Big Screen WD TV is the ideal way to

play your media collection on the big screen TV Enjoy your videos photos and favourite songs in virtually any file format Sit back relax and enjoy your media in 1080p. I agree the old WD TV media player was perfect for my needs Even my wife uses it but i have to carefully place her media in an easy to find place However this device is mainly good for folks who have a large library of MKV content they wish to play using twonky For accessing media from the internet a different solution is required.
