If you are serious about changing the way your organization operates, this picturebook is an essential and fun read to understand what you need to start and stop doing to create the necessary conditions for the future of work. Pia-Maria Thoren is the Swedish author of the successful book "Agile People, a Radical Approach for Employees and Managers (That Leads to Motivated Employees)." In this picturebook, Nico Simpson, a graphic artist from Claripics, South Africa, complements the text from the book with his easy-to-grasp illustrations that deepen the meaning of the messages. The Agile People Picturebook is for everybody who wants to understand more about business and people agility and how to create that common direction where people are intrinsically motivated to give their best at work every day because they want to, not because they have to. Leadership is about making people go in the direction that you want them to go because THEY want to go in that direction. If you want to know more about what you can do to increase awareness about people and agile, go to [agilepeople.com](http://agilepeople.com) and contact us for any questions or more information.
