As 21st-century technology has enabled nearly anyone to sell merchandise to an international customer base, the need for high-quality presentation has never been higher. Social media allows sellers to share images and information, but the tool is wasted if the product itself isn't presented in an engaging, attractive way. Insta- Perfect is the ultimate inspiration guide to just that, featuring bold and memorable examples of product photography and art direction for a wide range of products. In interviews throughout the book, expert marketers and successful Instagram stars share their insights on a variety of topics, including setting, image composition/framing photo editing/retouching. A gallery of visual splendor in the age of social media for amateurs and professionals alike.

instagram is one of the hottest social media networks around especially for visual marketing here you'll find information about instagram

marketing and instagram ad strategies see more ideas about social media marketing social media and instagram marketing tips. As with many of her peers her social media presence is part of her business and her feed is an ever evolving portfolio the average instagram user spends nearly an hour 53 minutes to be exact on the app every single

day scrolling through images and finding new people to follow. But for the rest of us the sky is the limit one what we can call our new social media profile however it can be tough to e up with good ideas if you're not creative or a lot of names are too monly used also you'll want to make sure it's something you can remember as fetting this can cause problems.
