"Pressestimmen Endorsements: 'Alison Pargeter has established a reputation as one of the best current analysts of Islamic radicalism. This book - detailed, authoritative, sober, perceptive and meticulously researched - shows why. It is an important contribution to our understanding both of the Muslim Brotherhood itself, to the controversies that surround the movement and to the broader phenomenon of political Islam. A must read for scholars, students and anyone interested in the Middle East.' Jason Burke, author of *Al-Qaeda: The True Story of Radical Islam* 'A tour de force - This well-written and much-needed book by a respected British scholar admirably traces the origins and development, internal debates and frictions, geographical spread - and abiding contradictions - of a movement that, despite its ambiguities and shortcomings, remains very much a force to be reckoned with.' Alan George, University of Oxford 'Alison Pargeter's engaging and intelligent book makes a significant contribution to the existing literature on the Muslim Brotherhood. Her use of new sources, including interviews with key members of the Brotherhood, gives us a fresh perspective on this elusive movement, notably its shadowy international organization and the relations between its various branches. This is a welcome and highly readable addition to the growing body of work on the political Islamist movements that have shaped the contemporary Islamic world and beyond.' Karin von Hippel, Center for Strategic and International Studies, Washington Über den Autor und weitere Mitwirkende Alison Pargeter is a Senior Research Associate at the Centre of International Studies at the University of Cambridge. Author regularly participates in international conferences, hosted by the NATO Parliamentary Assembly, the International Atomic Energy Agency, the US State Department, the German Foreign Ministry and the Italian government. Other publications *The New Frontiers of Jihad: Radical Islam in Europe* (2008) Author location London, UK"
