Sakura hime the legend of princess sakura is atypical of magical girl manga and even the author's own works in many ways this actually benefits the series and provides an enjoyable spin on the princess kaguya fairytale one of the first ways this story breaks the mold is the romance is not the focus. The tale of the shining princess is an old japanese legend of this otherworldly woman who es down to earth in this story there are several poems written by kaguya hime and the 5 men mixed in with the storytelling as well as several beautiful paintings describing the story. Therefore kaguya hime is shining princess to give a well known example i never gave them much more thought than that actually the origin of hiko is ??? hi no ko child of the sun and hime is ??? hi no me daughter of the sun this fact is obscured because now they each have different kanji ? and ?.
